## **12 Seater PSV**

A 12 seater bus, built to PSV standards on the VW LT van. It features moquette seats and a hard-wearing floor.

Perfect for bus, taxi and coach travel with built-in comfort and convenience. Specially designed to meet the growing need for small buses in both town and country.

## Specification: 12 Seater PSV

### CONVERSION

#### Trim

Floor in patterned heavy duty lino. Interior trim panels and window surrounds and door panels in dark textured washable vinyl. Aluminium kicking strips at floor level. Bulkheads behind cab seats and engine finished in patterned aluminium. Step well in aluminium, with kicking panel and threshold strip. On righthand side of sliding door aluminium courtesy panel is fitted in front of single seat. Stainless steel grab handles are provided. Roof is trimmed in washable vinyl faced board.

#### Lighting

2 coach type lights fitted centrally in roof panelling, driver operated with dimmer controls.

#### Seating

Tubular steel seat frames covered in attractive brown and orange striped moquette with vinyl edging and backing. 7 seats to offside, 5 on nearside. Total seating capacity - 12 + driver.

#### Windows

Four rear compartment windows fitted. Adequate interior ventilation provided by top sliding windows.

#### Luggage Area
