

Devon LT

Luxury Motor Caravan

Inside the Devon *LT*

THE DEVON LT is a truly luxurious motor caravan with a beautifully fitted interior.

Comfortable seating, which converts to a large double bed (there's a 6 ft long double bunk as well).

A full height shower unit with hot and cold water on tap.

A cooker unit which includes a full oven — plus an air filter and electric extractor fan. A refrigerator fitted as standard, and a catalytic heater for chilly evenings.

These are only a few of the home comforts we've built into the Devon LT. Read on for the full story.

Getting down to details

Kitchen unit comprising: stainless steel sink with hot and cold running water from electric pump; stainless steel cooker with two burners, grill and full oven; 2 cu.ft. Electrolux refrigerator (works from bottled gas, 12 v battery or mains electricity); Electrolux air extractor and filter unit over cooker.

Seating adapts to double bed over 6' long. Extra 6' long double bunk at upper level.

Full height shower unit with hot and cold water, plus Sani Pottie toilet unit.

Large wardrobe with shoe locker.

Chest-of-drawer unit with 4 deep drawers.

Gas operated catalytic interior heater.

Large dining table covered in rosewood melamine surface.

Deep foam upholstery with luxurious fabric.

Curtains on all windows in matching fabric.

Big capacity storage lockers and cupboards.

Engine cover, carpets and additional complementary trim in walk-through cab.

Floor covered in wall-to-wall carpet with heavy duty vinyl floor beneath.

Expanded foam interior trim panels.

Completely insulated sides and roof.

Headlining in washable solid material.

Four 18" fluorescent lights, including one in shower unit and one over kitchen unit.

40 gal. underfloor clean and waste water tanks.

Underslung spare wheel carrier.

Side and rear double opening doors.

Sole Official UK Motor Caravan Converter of the Volkswagen.
