15 Seater Standard and De Luxe Bus

A 15 seater bus, with forward facing seats available in 2 versions – deluxe and standard. The deluxe offers a touch of luxury with moquette seats, interior lights with dimmer control, and superior quality trim, whilst the standard has seats in durable PVC.

It's the ideal vehicle for comfortable personnel travel over long or short distances.

STANDARD

DE LUXE

Specification: 15 Seater Standard

CONVERSION

Floor in patterned heavy duty lino. Step well with aluminium treads, upright kick plate and threshold strip. Interior body panels and window surrounds trimmed in dark coloured textured vinyl with patterned aluminium kick panel fitted at floor level. Bulkhead behind cab seats and engine trimmed in patterned aluminium. Four windows in passenger compartment. Adequate interior ventilation provided by top sliding windows. Three fluorescent lights fitted above windows, all driver controlled. Roof headlining trimmed in white trim cloth on hardboard base. Seating — All seats are trimmed in PVC with black edging, mounted on tubular steel frames, bolted and welded to vehicle floor. To the offside there are seats to accommodate 9 passengers, with 4 seats to the nearside. Outside seats in each row have a grab handle and ashtray fitted in back. Cab seating for 2 people (1 driver, 1 passenger) standard VW brown vinyl seats. Grab

handle on lefthand side of sliding door entrance. Spare wheel in cradle under vehicle.
