MOONRAKER

The Moonraker is a luxuriously fitted motor caravan built on the famous VW Kombi.

Lots of storage space, big cool box (or optional fridge), cooker, grill, underfloor water tank, full carpeting, deluxe cab trim, and plenty more. Enough to make you feel at home wherever you are.

The new Double Top Roof option gives you more headroom, more bedroom.

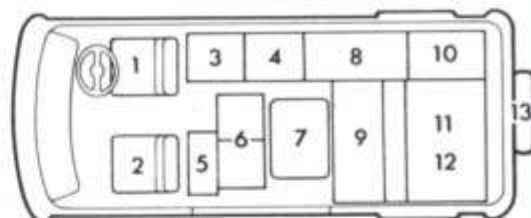

And if you can drive a car, you can drive a VW Devon. It handles and parks just like a friendly family saloon. With VW reliability into the bargain.

- 5 Child's cab hammock bunk (optional extra).

ROOF OPTIONS

Standard Elevating Roof
with two full-length single bunks.

New Devon Double Top

with solid-base double bed, which will divide into twin beds for children.

Getting down to details...

The VW Devon Moonraker is built on the VW Kombi with deluxe cab trim including brushed nylon seats with head restraints.

Interior trim and floor

Rich carpet-style trim covers all interior panels up to window level.

Removable brown toning carpet throughout, including walk-through and cab area, overlays an attractive brown and cream patterned vinyl floor with polystyrene insulation beneath.

Seating

There is a 2/3 seater rear bench seat, with ample storage space beneath.

A single rear facing upright seat is fixed to the face of the wardrobe. An additional single seat is provided, so that it can be easily converted to a double bench seat for dining.

Bed

The rear bench seat pulls out

easily to form a large double bed. The rear seat and engine deck cushions provide a deep foam mattress.

Kitchen and storage units

A complete kitchen and storage unit is fitted along the offside of the vehicle. This includes stainless steel sink and drainer with faucet, electric water pump, and double burner cooker with grill and built-in splash guard.

Beneath the sink is a large cool box (optional fridge). Below the cooker are two pull out drawers, one for cutlery, and a roomy double cupboard.

To the right of the cooker is a large storage locker with a hinged flap top, with gas bottle storage cupboard beneath, vented to the outside.

On the offside of the engine deck is a useful upright storage cupboard with 3 cubbyhole shelves at the back,

and above, a roof locker with a hinged front.

Behind the passenger's seat is an upright hanging wardrobe with access doors on both sides.

Table

The table is stored under the roof locker and when in use is fixed on a single column leg in the centre of the floor area.

There is an interior fluorescent light.

Water storage

A 7 gallon capacity underfloor water tank is fitted.

Spare wheel

The spare wheel is on a mounting bracket fitted to a hinged cradle and fixed externally above the rear bumper, and protected by a fitted vinyl cover.

Cushions and curtains

Attractive buttoned deep foam

cushions in a brown and beige check with matching curtains running on a continuous curtain track.

Windows

Four large windows in passenger area and the offside front has a double louvre for fresh air ventilation.

Non-elevating roof models

Roof headlining finished in vinyl trim.

Elevating roof models

Choice of Standard Elevating Roof or new Devon Double Top. See back page.

Optional extras include

Refrigerator (12 volt or gas). 240 volt mains electric hook-up for refrigerator. Side step. Cab hammock bunk.

SUNDOWNER

A completely new multi-purpose motor caravan from Devon, with a host of new features and fittings.

The Sundowner drives and parks like a car. Seats up to eight people. Carries masses of goods. Doubles as a spare

room, to put up extra guests. Takes you and the family on holiday. And copes with scores of other tasks too.

Discover for yourself just how Sundowner versatility can save you time and money. It's the ultimate all-rounder.

BY DAY

- 1 Driver's seat.
- 2 Passenger's seat.
- 3 Unique Devon swing out cooker.
- 4 Ingenious forward or rear facing central double seat.
- 5 Table.
- 6 2/3 seater bench seat.
- 7 Sink unit with water carrier and electric pump.

- 8 Engine deck cushion.
- 9 Roof locker (cover).
- 10 Wardrobe.
- 11 Spare wheel.

BY NIGHT

- 1 Double bed.
- 2 Double seat (forward or rear facing).
- 3 Child's cab hammock bunk (optional extra).
- 4 Wardrobe.

ROOF OPTIONS

Standard Elevating Roof
with two full-length single bunks.

New Devon Double Top

with solid-base double bed, which will divide into twin beds for children.

Getting down to details...

The VW Devon Sundowner is built on the VW Type II Van.

Interior trim and floor

All side panels are covered in attractive, washable, carpet-style trim. The whole floor, including walk-through and cab area, is covered with removable, matching carpet. Underneath is a brown and beige patterned vinyl floor covering, underlaid with polystyrene insulation.

Seating

There is a rear bench seat for two or three persons with ample storage beneath. In front of this is a sliding double centre seat, also with storage space beneath. It has a reversible backrest so passengers can face the front or rear.

Bed

The rear bench seat pulls out easily to form a large double bed. The rear bench seat and the engine deck cushions together make up a deep foam mattress.

Storage space and cooking facilities

On the nearside of the engine deck is a hanging wardrobe with curtained front. Above is an open-fronted roof locker. Behind the sliding door is a sink/drain unit containing a five-gallon water carrier complete with a submersible electric pump.

The unique, patented Devon swing-out cooker is fitted to the left of the sliding door, and comes complete with a folding stainless steel splash-guard. It can be used inside the vehicle,

swung out for exterior use, or removed altogether for storage or use away from the vehicle.

Table

Chocolate coloured dining table with a single leg which locates in an adjustable fixing strip on the offside trim panel. Extra legs are supplied with the table for outside use.

Spare wheel

The spare wheel is on a mounting bracket fitted to a hinged cradle and fixed externally above the rear bumper, and protected by a tailored vinyl cover.

Cushions and curtains

Good looking buttoned deep foam cushions in brown/beige check material, with matching curtains running on a continuous curtain track.

Windows

Four large windows in passenger area: the offside front has a double louvre for fresh air ventilation.

Non-elevating roof models

Roof headlining finished in vinyl trim. An interior fluorescent light is fitted.

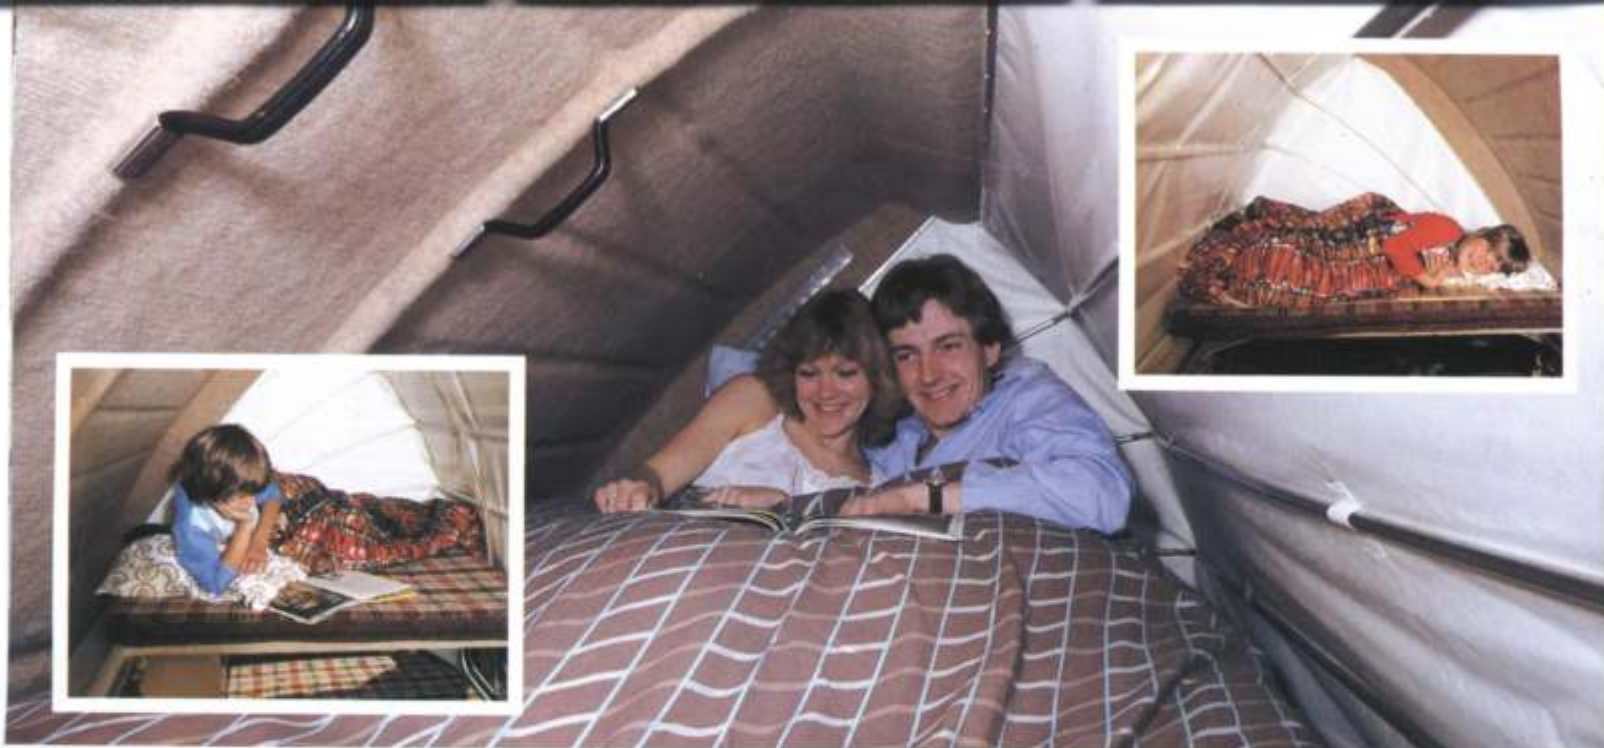

Elevating roof models

Choice of Standard Elevating Roof or new Devon Double Top. See back page.

Optional extras include

Side step. Cab hammock bunk. Matching cab seat covers.

Devon Double Top Elevating Roof

Easy, swing-up action

The Devon Double Top's fibreglass roof runs the full length of the vehicle. Yet you can easily raise it with the help of its gas-filled struts.

When the Double Top is down, locking catches secure it firmly for travelling.

More headroom, more bedroom

With the Double Top raised, you've lots of extra headroom and space in your Devon Motor Caravan. If you remove the bed sections you can enjoy this extra height throughout.

But where the Devon Double Top really scores is with increased bedroom.

Double bed upstairs...

There are two solid-base bed sections in the roof – one at the front and one at the back. These can be slid together to give you a double bed 6' 1" long by 3' 9" wide.

Devon Standard Elevating Roof

One-piece moulded fibreglass top with polystyrene insulation and carpet headlining.

Fluorescent light fitted centrally into roof headlining. Two ventilators fitted at rear for air extraction.

Spring-loaded arms, fixed to the

Each 36½" x 45" bed unit has a strong internal frame and a high-density foam mattress (covered in toning material, colour keyed to the interior upholstery) is attached to the top of each bed section.

Or twin beds for children

Slide the two bed sections back to opposite ends of the Double Top, and you have two excellent single beds for children.

Luxury finish – inside and out

The tough, good looking vinyl roof skirt tones with your Devon's exterior colours.

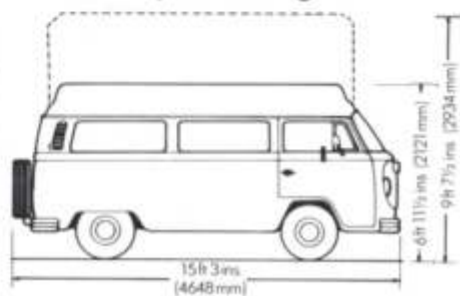

The entire Double Top interior and the undersides of the bed units are lined with attractive carpet-style material.

For fresh air, ventilators are fitted at each end of the roof.

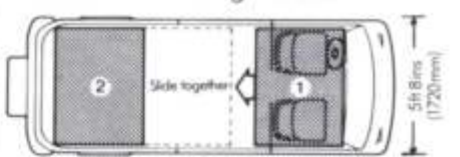

double metal frame, help raise and lower the roof. Rigidity supports and safety catches are built in. The striped vinyl cloth roofskirt tones with the exterior vehicle colours.

Full-length bunks are fitted at either side of the roof aperture. They fold neatly away when not in use.

Double Top Elevating Roof
