## Devon Buses

16 Seat Crew Bus / 15 Seat DeLuxe / 12 Seat PSV

# OFFICE, FACTORY AND SITE WORKERS / HOTELS / SCHOOLS / SPORTS

Road economy comes naturally to VW Devon Buses. They run happily on 2 star petrol and only require a major service every 10,000 miles (so less time off the road).

There's a diesel option to consider too.

And behind the handsome exterior there's a rugged, reliable VW engine which means fewer repair bills. Because of their outstanding record for reliability VW Devon Buses come with a 12 months (30,000 miles) warranty.

VW Devon Buses are backed by a countrywide network of Dealers which assures you quick, efficient service.

If you are responsible for transporting groups of people you'll be concerned about economy on the road.

Be sure and contact your local VW Devon Bus Dealer.

## 16 Seat Crew Bus

A workhorse of a bus specially designed to meet the needs of construction companies, schools, youth clubs, hire operators etc. For top economy the interior design offers the maximum number of seats available in the LT Bus Range.

All interior elements are chosen and constructed for heavy duty use. Floors covered in heavy duty lino with washable vinyl side panels. Seat frames in tubular steel. All seats covered in hard wearing brown vinyl. Seats bolted and welded to vehicle floor. Interior ventilation provided by strong top sliding windows. 3 driver operated florescent lights. Ashtrays and entrance grab rail fitted.

## 15 Seat DeLuxe Bus

### OPTIONS:

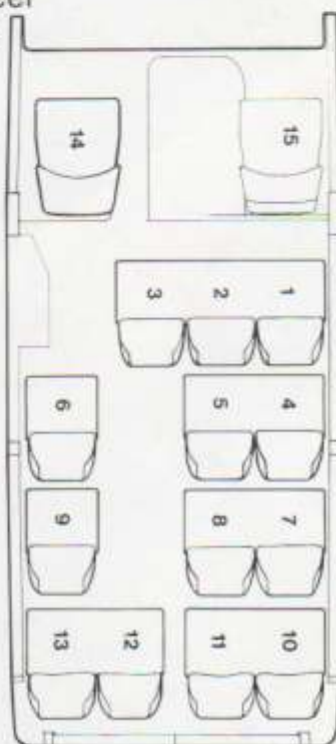

(available on 16 Seat Crew Bus and 15 Seat DeLuxe Bus) Rear Saloon heater. Tinted rear windows. Cab seat and engine deck covers. Cab floor carpet. Underslung spare wheel carrier available on 16 Seat Crew Bus only.

### Mini Bus Act 1977

All Devon non PSV Buses can be constructed to comply with the regulations of the Mini Bus Act.

Ideal for luxurious group travel over long distances as well as short distances. All seats face forward and are covered in rich patterned moquette. Aisle seats provided with an ashtray fitted in back. This vehicle also offers driver operated interior lights with dimmer control, high quality interior finish and top sliding windows for fresh air ventilation.

Seats covered in durable PVC cloth are available at no extra charge.

# TAXI, BUS AND COACH OPERATORS

## 12 Seat PSV

Especially designed to meet the growing need for economical small buses in town and country. This 12 Seat PSV offers durable design with built-in comfort making it ideal for bus, taxi and coach travel.

### Seating & Interior Finish

12 passenger seats in attractive moquette. Grab rail with aluminium courtesy panel on right hand side of sliding door entrance. Floor in heavy duty lino. Washable side panels with aluminium kicking strip at floor level.

### Lighting & Windows

Two coach type lights fitted centrally in roof panelling with dimmer controls operated by driver. Top sliding windows for ventilation.

### Luggage Area

Approximately 12 cu. ft. of luggage area is provided next to cab driver seat.

### Emergency Exit

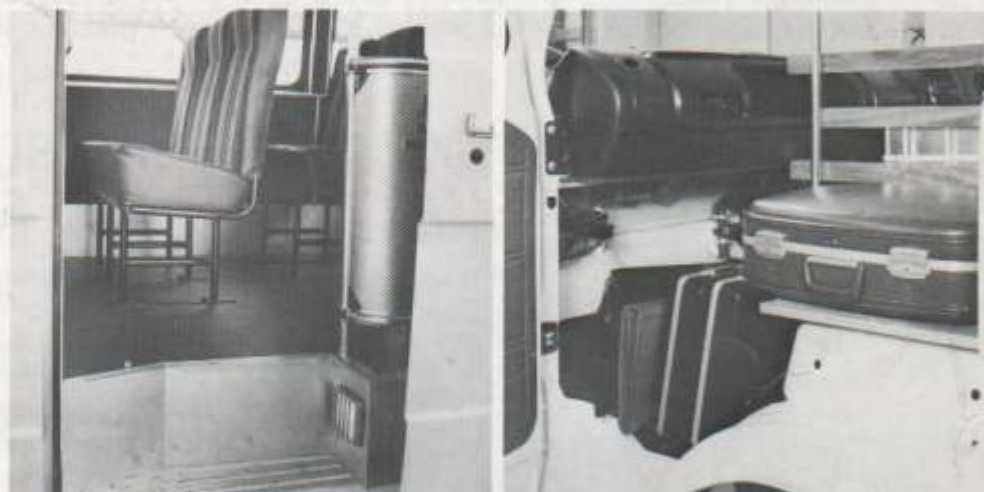

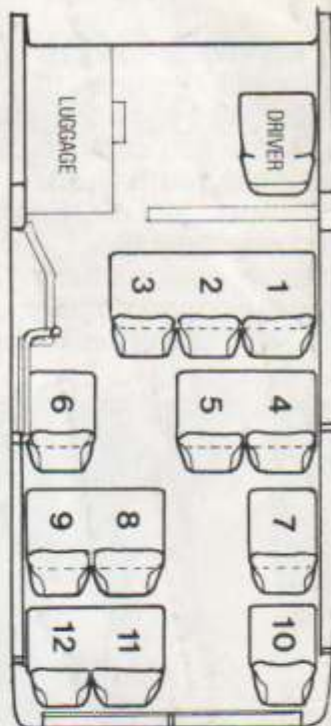

The offside rear door operates as an easily accessible emergency exit. Fire extinguisher, first aid kit and driver's blind are fitted.

### Certificate of Fitness

All vehicles are supplied with the necessary P.S.V. Certificate of Fitness.

### Options

Rear Saloon heater. Tinted windows. Seats covered in durable PVC cloth are available at no extra charge.
