# Here is the latest desirable Motor Caravan from Devon - the Devon Toyota.

Devon have been building superb quality motor caravans for over twenty four years. No wonder then that Toyota chose Devon to build a motor caravan on their good-looking, world famous HIACE.

The Devon Toyota is a compact, yet spacious and luxuriously fitted motor caravan. A sound investment for those free and easy holidays and long weekends. An ideal multi-use motor caravan which doubles as a car, shopper, delivery van and minibus. Even as a spare room on the drive at home when those unexpected guests turn up!

## Look what you get with a Devon Toyota.

### Space to get in and out

A wide sliding door on the nearside into the lounge/diner. Plus a huge top-hinged rear door to the kitchen and storage area. This large rear door provides overhead protection when entering and loading into the rear of the caravan. Or a shady spot to sit under when the sun is blazing down - and it lets in plenty of fresh air too.

### Even more space ...

Very generous for passengers - up to seven in comfort and all facing forward. Four adults can sleep in perfect comfort, not crammed head to toe in the roof! Five diners can sit down to really enjoy their meals.

### Dine in style ...

on a 2/3 seater bench seat, plus a double seat made up from two singles on the other side of the detachable dining table. This same table may be used outside to dine alfresco on those gorgeous summer days and evenings. When not in use, the table stores conveniently out of everybody's way.

### Sleep easy ...

Just open the dining seats flat to form a six-foot-plus double bed downstairs. Go 'aloft' into the unique Devon Double Top elevating roof where two solid-based deep foam mattresses provide single transverse beds for children. Lock them together to form a second ample size double bed.

Electric light and a ventilating roof window, with fly screen, complete this luxuriously fitted elevated bedroom.

### Our holiday kitchen ...

Easy to use, compact and complete. Stainless steel sink and drainer. Electric pump supplying water from a 32 litres (7 gallons) underfloor tank.

Double burner gas cooker plus a grill for those holiday breakfasts of piping hot eggs, bacon, mushrooms and tomatoes!

This ingenious Devon cooker is mounted on a swing out bracket - you can cook inside or outside your Devon Toyota. And the cooker work top doubles as a coffee table! Keep your food cool and fresh in the neat good looking gas/12volt refrigerator.

### Masses of storage space ...

Kitchen cupboards, hanging wardrobe, storage boxes under the seats, a separate gas cylinder storage compartment - and even more storage cupboards at the rear of the long wheelbase model.

### Walk tall ...

With the unique easy to lift Devon Double Top roof you can move around in comfort when the upper solid based bunks are in their daytime storage positions, and you get more light and ventilation too.

### Delightful decor

The matching is unique. From the dirt resistant carpeting and moquette covered seat cushions to the warm carpet-style trim which covers the roof interior and the undersides of the top solid based bunks. And the attractive curtains providing all-round privacy.

## For the technical.

### ENGINE

Four cylinder, petrol, OHV, water cooled, five bearing crankshaft.

Capacity: 1587cc.

Max. horsepower: 66 BHP (DIN) at 5,000 rpm.
